

MAC AT A GLANCE

MacLachlan College is more than a school. It's a dynamic and inclusive community where each student is valued for who they are and where teachers guide and facilitate learning by creating real world connections.

Located in the heart of old Oakville in a beautifully restored historic mansion, MacLachlan College is one of Ontario's finest independent schools offering an exceptional co-educational program for students in Pre-Kindergarten to Grade 12.

Founded in 1978, MacLachlan prides itself on providing a program centred on academic excellence, and on being at the cutting edge of innovation in education. This ongoing commitment allows for the rapid integration of new technologies and emerging active learning resources to enhance student exploration, creativity, and knowledge.

A school that is small by design, MacLachlan provides each student with guidance and support enabling them to grow into resilient, thoughtful and confident young adults who are well prepared for future success in today's ever-changing world.

TECHNOLOGY

MacLachlan recognizes the importance of technology, and the benefits it affords 21st-Century learners. As an active learning school, we incorporate the use of technologies into most of our lessons at all grade levels. The MacLachlan Laptop program enables all students in Grades 6 through 12 to bring their own personal computer to school on a daily basis. In the Lower School, there is an iPad for every student to complement learning and facilitate a dynamic learning environment. In addition, MacLachlan offers a Robotics program that allows students to develop and enhance their design and programming techniques, integrating and combining their knowledge of Science, Engineering, Mathematics, and Technology in the creation of a robot.

SMARTboards in all classrooms

Wireless connectivity

iPads for every student in Lower School

BYOD – Laptop program Grades 6-12
