# Camp Program Categories

Campers have fun and learn through creativity, innovation, collaboration, and leadership. Explore the many camp programs available across five categories.

## ARTS & MEDIA

Campers will explore various creative outlets through programs focused on visual and dramatic arts, music, dance, cooking & baking, architecture, filmmaking, and more.

## BUSINESS & WORLD AFFAIRS

Fun yet informative programs about managing financial habits, the world of investing and trading, starting a business, and how to respond to global issues from different perspectives.

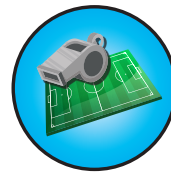

## CURIOSITY

Campers will engage in STEM-based programs and traditional camp activities while also exploring Crescent's natural ravine setting. There's also space exploration and chess & board game strategies.

## INNOVATION & TECHNOLOGY

Check out some of our newest camps on offer, including App Development with AI, 3D and Game Design, as well as the return of a perennial favourite, Robotics.

## SPORTS

There's something for everyone with programs for sports generalists as well as those looking to specialize in ball hockey, soccer, volleyball, and track and field.
