

Edelweiss
Private Academy
Mission

Our mission is to provide each student with access to the provincial curriculum using evidence based Direct Instruction with the purpose of promoting the learning of key academic skills while providing our students with tools to reach their full potential. We strive to enrich our students' lives through social integration, physical wellness and emotional nourishment, thus encouraging them to reach independence and long term success.

***Our Motto
"Reaching for the Top"***

Academy

*Edelweiss Private
Academy helps
children with autism
and other
exceptionalities achieve
their full academic,
social and emotional
goals*

Eligibility

Our school is ideal for students who are experiencing difficulty in mainstream schools whether they are struggling academically or socially. It also caters to students that are transitioning from Intensive Behavioural Intervention and are ready for group learning. Some students may be required to attend the IB program or the Transition Class to prepare for the appropriate group learning.

**All academic, psychological and other professional reports must be provided.*

Please visit our website for more information, or contact us if you have further questions.

Curriculum

Edelweiss Private Academy follows the Ontario Ministry of Education curriculum. The core subjects of English and Math are taught through Direct Instruction to allow for repetition, practice and full mastery of key skills. We also offer Social Skills, French, Art and Physical education, which include weekly swimming lessons.

Integration of Applied Behavioural Analysis techniques is used to meet all of our student's unique needs.

School Hours

Mon.- Fri. 9:00 am to 3:30 pm

Our professional staff follows the Ministry of Ontario curriculum adapted to meet our students' unique needs. Lessons are delivered in a small pupil to teacher ratio. Our caring and supportive staff help each individual student reach their full potential. We are committed to working in partnership with our families and maintaining a strong avenue of communication between the school and home.

We work in collaboration with a psychologist and the TIPS team of supporting professionals.

Faculty

Principal - Heather Wyatt
