**SMLS  
AT A GLANCE**

## Academic EXCELLENCE

Our academic program utilizes the highest standard of proven best practices and innovative approaches. We identify each girl's academic strengths and challenges, so that we can support her in achieving success and confidence in her own abilities.

## Social, Emotional, Spiritual and Physical DEVELOPMENT

We focus on the social, emotional, spiritual and physical wellbeing of every girl from Preschool to Grade 12. We understand developmental stages of girls and work with each girl to ensure she is known, supported, and challenged to be her best self.

# MARKERS OF SUCCESS

## Real World RESULTS

Our goal is not only to prepare girls for post-secondary education, but to provide them with the courage and skill to pursue their individual passions.

## Real World LEARNING

Opportunities to relate learning to the real world are vital to a SMLS educational expertise. Our program integrates academic studies with relevant career and life experiences, allowing students to gain a deeper personal understanding of the world around them and to develop as global citizens and leaders.
