ROBOTIC COMPETITION

Our robotics teams regularly win awards at the provincial and national levels.

MUSICAL THEATRE PRODUCTION

Students at Pythagoras Academy take part in a major musical theatre production every year.

3 DIMENSION WRITING STUDIO

Our students can imagine their stories using 3D materials that support them in creating detailed, highly imagination storylines.

LEADERSHIP

Our leadership programs include students' broadcasts, student-led assemblies, student-led parent-teacher conferences... and more!

PUBLIC SPEAKING

All programs at Pythagoras Academy enhance students' public speaking skills. Students learn how to present their projects using different strategies and methods.
